

The Pediatric Clinic Web Site contains useful information and resources for MEDDAC Staff, providers, students, and residents.

- Parent handouts (located on the “Information” page)
- Link to clinic schedules and phone numbers; for security reasons, this page can only be reached by typing the URL - <http://evans.amedd.army.mil/Peds/schedule.htm> – there are no links directly to this page
- The “Education” section also has a password-protected area for staff, students, and residents where recent articles of importance to Pediatrics are posted (this is the reason for the password, since the articles are copyrighted they can only be distributed for educational purposes). The username is **peds** and the password is **Antibiotic?** for this page.
- Medical Links which includes links to MDConsult, the AAP, and other often-used sites
- The Pediatric Grand Rounds schedule is available
- Practice Parameters and Clinical Guidelines. **This page also has the clinic form letters we use often, such as “Permission to Give Medication at School” and documentation of illness for school or daycare**

The main page is located at:
